

Powering Nigeria's Agricultural Value Chain from Farm Gate to Global Markets

**SAHU BIO RESOURCES
NIGERIA LIMITED**

SAHU Bio-Resources Nig. Ltd

RC 1208792 · Incorporated 2014 · NEPC Registered Exporter

Indigenous expertise in sustainable farming, biological resources, agro-logistics, and international commodity trade. Incorporating proven agronomy, research, and infrastructure across 7 specialized divisions.

Operating from Abuja, we combine modern agronomic research, engineering expertise, and logistics to deliver end-to-end reliability for farmers, corporate buyers, and global trade partners.

OUR 7 AGRO DIVISIONS

- 01 **Agriculture & Agronomy**

Commercial cultivation, mechanized farming, and sustainable crop management.
- 02 **Biological Resources**

Poultry, livestock breeding, and sustainable aquaculture solutions.
- 03 **Procurement & Supply**

Strategic aggregation, storage, grains supply, and agro-inputs.
- 04 **Engineering & Projects**

Turnkey farm design, irrigation systems, and capacity building.
- 05 **Agro-Allied Logistics**

Fleet distribution, perishable cargo handling, and farm-to-market haulage.
- 06 **Import & Export**

NEPC-certified export of commodities and importation of farm machinery.
- 07 **Laboratory & Research**

Microbiome research, biofertiliser field trials, and soil health analysis.
